Utah Stand for the Family Events with Sharon Slater

You are invited to spend an evening with Family Watch International President Sharon Slater and learn more about the threats to the family and family values at the international, state and local level.

Sharon is a recognized and respected worldwide leader in the pro-family movement and has given speeches around the world, including addressing a crowd of 1.5 million at a marriage rally in Spain, being featured speaker at World Congress of Family meetings in Nigeria, Amsterdam and London, and a panelist at the United Nations.

This is a rare opportunity to discuss threats that are already affecting our families and our children's future. To learn simple things you can do to protect your family and the institution of the family, please join us at one of the events listed below!
